

January 29, 2017

Welcome Guests:

If you are a *First Time Guest* to our church, you are invited to meet Pastor Russell and some of our Pastoral Staff after today's service in Room 109. We would like to meet you & we have a gift for you.

As we enter into this new year of 2017, may we expect a fresh outpouring of God's Holy Spirit. We have sought His face during the 21 days of prayer & fasting. We have already seen and heard of His healing power working among us.

May we remember the words of Steve Swanson last week, "Worship is already happening in the heavenlies with the angels and those who have gone before us around the Throne of God, nature is worshipping, and the animal kingdom honors the Lord. We just have to choose to enter into the flow of what is already happening."

How about you today? What will be your choice? Will you enter into worship of the King of Kings and the Lord of Lords? Don't be left out.

We love and pray for you.
Pastor Russell & Sylvia

Abortion supporters want us, the taxpayers, to continue to pay for abortions. **We must work together to pass H.R. 7, the "No Taxpayer Funding for Abortion Act."** H.R. 7 would make the Hyde Amendment permanent federal law & apply it government-wide to ensure that regardless of which political party is in power, taxpayers will not be on the hook for paying for abortions. Your members of Congress need to hear from you! Please call them at 202-224-3121 and urge them to vote **FOR** H. R. 7 this week.

Thank you WOWC for your active participation in our ministry. 2016 was another marvelous year. Your support allowed us to double the days we could offer ultrasound exam services. We ended the year serving more than 500 women in over 1,300 appointments, a new high mark in our 30 year legacy of life! We freely distributed infant clothing and 9,625 diapers in 2016 along with other items because you cared. For the eighth consecutive year, the number of women on the Peninsula choosing to have abortions decreased.
