

Angel Armies:

Lesson 2 – **“Can Angels Assist Your Destiny?”**

Matt 18:10- “Take heed that you despise not one of these little ones; for I say to you, that in heaven their angels do always behold the face of My Father which is in heaven.”

An amazing benefit of the ministry of angels is how they can assist the releasing of destiny:

- Angels help the heirs of God and joint heirs with Christ to understand their purpose and potential.
- Because of poor or lack of teaching, no teaching, or our western mindset that has trivialized angels – millions of believers wander through life not understanding the real purpose for their being.

The scriptures reveal that to see our destinies come to fullness, we all need assistance.

No one achieves great significance in life without a lot of assistance.

We need the assistance of the Holy Spirit – He is the number one source of for direction and guidance.

We need each other – our destiny is interdependent. We need the church body.

God decided that we would need to be angel assisted to accomplish at least some of our purpose.

The Godhead, in their wisdom, provides “destiny enablers” sending angels to assist the heirs to discover and release their potential.

**Born for such a time as this:**

People are being shifted and connected to times that they were actually born for.

It’s happening everywhere and there’s a sense that we are here for such a time as this:

- “It’s as though I’ve been prepared up until now for days that are about to unfold.”
- “I’m here for the greatest harvest in all of history, I am here for now, I am hers for the great outpourings of the Holy Spirit, I was made for these times.”

Acts 17:26- “He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their pre-appointed times and the boundaries of their dwellings.”

- God appoints your time and place of existence.
- The reason you are here right now is because God wants you here right now.

- You could have been born 500 years ago or during some other time period; but you weren't.
- God ordained your time and place [geographic location].
- You're alive now because God wants you alive now. There is something in your destiny that the world needs now.

**Psa. 139:13-16** “You made all the delicate, inner parts of my body and knit me together in my mother's womb. Thank you for making me so wonderfully complex. Your workmanship is marvelous – how well I know it. You watched me as I was being formed in utter seclusion, as I was woven together in the dark of the womb. You saw me before I was born. Every day of my life was recorded in Your book every moment was laid out before a single day had passed.”

- Before you were ever born, before there was a single day to you – God wrote down plans and destiny HE had in mind for you.
- He recorded in His book things about your life.
- 2Tim. 1:9- “Who has saved us, and called us with a holy calling, not according to our works, but according to His own purpose and grace, which was given us in Christ Jesus before the world began.”
- Before time began, God established your purpose!
- “**Purpose**” = Greek, *pro thesis* = **Pro** = “Before, to set before, to set up before, or an exposition.”

**Thesis** = “a written report, an essay, or a composition.”

### **BEFORE YOU WERE BORN – GOD WROTE YOUR COMPOSITION!**

He wrote your purpose and the plans He had for you.

There was a day somewhere in the eternities past when the Godhead sat down and contemplated why they would allow you to be.

They contemplated why you would come to the earth, why they would make you, and what would be your purpose.

In their book, They recorded an essay on you!

Jer. 29:11- “I know the plans I have for you, says the Lord. They are plans for good and not for disaster, to give you a future and a hope.”

- There are no disasters planned by God for your life, the enemy has many, but God and His Kingdom do not.
- His plans are only good and they are designed to give you a bright future filled with hope.

Matt. 18:10- “Take heed that you despise not one of these little ones; for I say to you, that in heaven their angels do always behold the face of My Father which is in heaven.”

- Angels is plural = at least two/maybe more?
- Because there are billions of these guardian type angels – that means there could be twelve billions of these guardian type angels for the six billion people on earth today.
- That does not include the other types of angels that have other functions.
- There is no scripture that indicates we ever lose these angels, they are with us for life.

In light of this great benefit Jesus says we have - the angels assigned to your life are briefed about your destiny or how could they assist your purpose if they don't understand it?

How could they assist you if they don't know what your destiny is?

This shows the love, value, and special care the Godhead provides the believer in Jesus. There are no creatures anywhere on earth except the born again ones who have this kind of care provided.

You are highly treasured with divine destiny planed for you.

### **Biblical examples:**

1. Luke 1:30 - Mary – “Then the angel said to her, Do not be afraid, Mary, for you have found favor with God...”  
Gabriel knew Mary was to be the mother of Jesus – it was her THESIS.  
He knew her destiny before she did.  
Gabriel revealed this to her and was there to help bring it to pass.  
Obviously, he was briefed on her destiny before he ever showed up – his words and actions would not have been possible any other way.
2. Luke 1:11, 13 - Zechariah and Elizabeth - “Then the angel of the Lord appeared to him [Zechariah], standing on the right side of the altar of incense. But the angel said to him, “Do not be afraid, Zacharias, for your prayer is heard, and your wife Elizabeth will bear you a son, and you shall call him John.”
  - They were physically unable to have children – barren.
  - But barrenness was not in their destiny.
  - The angle appeared to Zechariah and revealed God’s plan for their lives.
  - It was their destiny to have a son and the angel revealed that to them because he knew it before they did.
  - The angel knew John’s destiny although not even born yet!
  - Though John was not created yet, his destiny had been prophesied to be like Elijah.
  - The angel knew John’s THESIS.
3. Acts 27:22-24- Paul “And now I urge you to take heart, for there will be no loss of life among you, but only of the ship for there stood by me this night an angel of the

God to whom I belong and whom I serve. Saying: do not be afraid, Paul; you must be brought before Caesar; and indeed God has granted you all those who sail with you.”

- A prisoner on the way to Rome for trial, the seas were unfavorable and threatened the life of all on board.
- The angel gave Paul a destiny word – “You must be brought before Caesar.”
- The angel knew God’s plan for Paul before Paul knew it.
- Because of Paul’s prayer – faith & obedience; angels were released to complete that destiny conducting a miraculous sea rescue where Paul and all were spared.
- The angel said: “You **must** go to Rome.”
- “MUST” is the Greek word – *dei* meaning – “necessary by the nature of something, obliged, personal obligation, or unavoidable.”
- It was a destiny assignment – He had a Divine appointment.
- By the angel revealing himself to Paul, he was assured that the angel armies are behind you and they will get you to Rome.

Are there destinations in your life that the angels are here to help you get to? YES!

- They are at work trying to connect you to a time, a place or an event that will connect you to your destiny.
- They can preserve, deliver, rescue, lead and guide us to divine appointments and ordained God – scripted places.
- Angels understanding our destiny can help us arrive safely.
- Have you ever been in a situation that turned out to be a great blessing or a great connection for your life and you wondered: “how did that happen?”
- It wasn’t an accident or coincidence – it was destiny and angels connecting you!

4. Judges 6 – Gideon – it was Gods’ plan to rescue Israel – the angel knew Gideon’s THESIS.

- The angel understood Gideon’s assignment when Gideon was fearful, hiding in terror.
- The angel knew his potential and addressed it by calling him a mighty man of valor.
- The angel called it out of him.
- Gideon, with God’s Spirit upon him, accomplished Gods’ purpose in his life.

**Potential** means latent abilities: They are inside of you and you don’t know they are there.

- Angels know about your potential abilities and are constantly trying to draw them out by connection you to a time, an event, or a place that will unlock or loose your potential.
- Angels who know your destiny have been briefed on your potential God has put in your THESIS and they are working to bring it out of you.

## **You are potent with destiny that is angel assisted!**

5. Genesis 24 – Isaac – When it was time for Isaac to have a wife, Abraham sent his servant in search.

V. 7 tells us an angel knew Rebekah was in his destiny or THESIS.

- Long before Isaac knew about it, the angel directed Abraham's servant to her in another country.
- The angel knew exactly where this destiny woman would be drawing water.
- The angel knew the time and place and connected the servant to the right life partner.

6. Genesis 32 – Jacob – v. 24 “Jacob wrestled with an angel all night over his destiny.”

- Do angels still wrestle today with us over our destiny?

The wrestling you have been going through might be the angel saying:

“Stop wasting your potential and become who you are supposed to be.”

You have a God planned future full with great hope before you.

Like Jacob, stop wrestling with it and decree it.
